

My last write up for the website .

On a wet day 32 SADLBA ladies braved the weather to arrive for the Spoon Drive held at Hatfield Indoor Bowls Club.

Initially there were a number of bowls lined up at the end of the rinks, as those new to Indoor bowls struggled with the unfamiliar surface.

Soon everyone improved which was lovely to see. After the two matches, we had 2 winning teams that had won both their games.

First place went to Janet Metcalf, Linda Draycott, Paulette Cowan and Linda Burfield.

Second place on points was Michele Cavaye, Chris Edge, Bernice Benson and Sue Powers.

Congratulations to the winners and well done to all those who played, making it a very enjoyable morning.
