

For the last 3 years, I have had the honour and privilege to be your SADLBA President, culminating this year as we celebrated the Golden Jubilee, I have thoroughly enjoyed the experience and sociability of my tenure.

I would like to thank all the clubs, their delegates and members for their loyalty and support, especially clubs who hosted games and events, thank you.

My thanks must go to the officers of the district who without their help and support, we couldn't be in the position we are in today, so I give thanks to:

Sue, a whizz with finances and who took on a lot of extra work for this our jubilee year, to make it the success it was, and Sarah who took on the role as secretary, well done, to Diane our competition secretary, for a sterling job, sometimes not the easiest I know, ably assisted by Jackie, thanks to you both, and lastly to Margaret for ably managing the fixtures etc., sadly leaving us, I wish you well, (I will miss my lifts) my thanks must also go to Pat our web master, not often seen but we know she is there in the back ground, also Cathy our official photographer, thank you all. Lastly, I must thank North Mymms bowls club, who have fully supported me, for the last 3 years, their hosting skills, second to none, very successful Presidents days, and 3 very well organised enjoyable finals days.

A lot of hard work goes into hosting, planning and organising all of the events and occasions, all are volunteers who gave their time and energy freely for the love of our game, I only needed to 'dress up and turn up'.

My sincere thanks to you all again, good luck, health and good bowling.

Phyll
